## Hiccup and Astrid's Most Wonderful Fanfic

**\*\*AN:\*\*** \*\*Enjoy this wonderful parody of many angsty stories out there.\*\*

It was a Saturday night, and Hiccup decided to spend the night over Astrid's house. Her parents were okay with it, just as long as they didn't get too carried away.

Right now, Hiccup and Astrid were surfing the web, reading various fanfics. There were some good ones, but the ones they came across were absolutely horrid, especially that 'Taco Bell' one.

"Uggghhhhhh, why is there so many crappy stories?" Astrid asked, frustrated.

Hiccup sighed. "I don't know Astrid, but you are right! Goodness freakin' gracious, it's like an eyesore. To my eyes!"

"Dude, that was so redundant."

"Wow Astrid, I'm surprised you know what that means."

Astrid proceeded to punch her friend on the arm. "That's for thinking I'm stupid." She then grabbed Hiccup and planted one on him. "And that's for being an awesome boyfriend."

Hiccup blushed red and looked sheepishly at his blonde girlfriend. "Oh, um, hehe thanks I guess."

They continued to scout through the web for more good fanfics, but unfortunately, it was all for naught. Then, an idea came to the

blonde's head.

"Hiccup?"

"Yeah?"

"I've got an idea."

"Ok, lay it on me girlfriend!"

"Don't ever say that again." She grew a mischievous grin on her face.  
"What if we made our own bad fanfic?"

Hiccup's eyes bulged out comically. "What?!" he shouted. "Wouldn't that make us as bad as these other jerk-offs?"

"Not really, we know we have good writing, but as a joke."

Hiccup caught on to the idea. "Ohhhh, I get it," he said with a smirk on his face.

"Yeah! What should we do it on?" asked Astrid.

"Hmmm...oooh! How about those poorly made angst fanfics?"

"Perfect." And with that comes Hiccup and Astrid's attempt at writing a bad fanfiction.

Hiccup and Astrid were laughing their asses off! They could not believe what they came up with!

"S-should we post it?" Astrid asked between bouts of laughter.

"We should-we should totally do that!" Hiccup replied. Still snickering, the boyfriend/girlfriend duo clicked the 'POST' button.

"Oh my God, I can't believe we did that," Astrid said.

"Me neither," replied her brown-haired boyfriend.

"Just wait until they find this little masterpiece," Astrid suggested slyly.

"Best fanfic ever!" they said in unison.
